Commissioner,

I'm not certain how to proceed regarding the funds for the Las Vegas presentation. International paper needs to have the funds distributed through their web based program. It appears that someone there at the Memphis Shelby Crime Commission needs to create an account and facilitate the funding transfer.

Very respectfully,

Kevin

Hi Kevin,

The donation will actually go through a portal we now have set up for such contributions. I will send a link and passcode to whoever would be entering the information about the contribution. Would that be you or someone else that I should send that email to?

Sorry for the delay on this. It is a new system and I am still figuring it out.

Thank you,

Yes. Please make payment to Memphis Shelby Crime Commission. They are facilitating the tax deductible contribution by International Paper for the Las Vegas Metro Police Department "October 1 Mass Shooting Presentation". Please indicate on the check that the moneys are for that program. Commissioner Gibbons has indicated that they are looking out for the payment(s) and will disburse the funds to Las Vegas as soon as they receive them.

Thank you again.

Very respectfully,

Kevin

Hi Dina, I am not sure if the money would go into crime commission and they reimburse? Since the amount is a little less than \$1000.00 we would pay the entire amount. I have copied Agent Kevin Bebout with Tenn. Homeland Security for his input and assistance ..Thanks, Jerry

Hi Dina,

I'm coping Jerry who is our point on this. My understanding is that his is outside of what we contribute to the Memphis Crime Commission and Tom graciously agreed to pay the invoice.

Jerry, please fill in any info.

Thank you,
Art

Hi Art,

We are paying Memphis Shelby Crime Commission, not the organization noted on the invoice, correct? Are we paying the full amount?

In the email string it is called a charitable donation. Is that because we are paying our local group who probably already paid the group noted on the invoice?

Sorry for all the questions. I want to make sure I process this correctly.
